

ClassDojo

The basics

Getting started

- You will get an invitation from your child's teacher in your email
- <https://www.youtube.com/watch?v=gjS1U8wiH7A&t=1s>

Setting it up

There are 3 main components of Class Dojo

Portfolio's

- This is where teachers can post activities and are requesting you to complete them in some way.
- You can respond by sending a picture, typing, sharing a video or drawing right on the page.
- These are private and only you and the teacher can see these.
- You will need to change over to the child's account in order to see portfolio's.

Moving to child's account

- On the app you click on the top left and switch over to the child's account

Submitting work

- You can submit your portfolio assignment in several ways!
- The red microphone is a voice recorder
- The yellow icon takes you to your pictures and videos on your device
- The paint brush allows you to write right on the device
- The keyboard allows you to type in your response

Portfolio's from a computer

- When you log in to your parent account you will need to switch over to your child's account to see their portfolio

A user profile card for Justin Timberlake. At the top left is a blue pencil icon in a square. Below it is a cartoon illustration of a brown and white bear-like character with large eyes and a wide smile. Underneath the illustration is the name "Justin Timberlake". At the bottom left is a small circular icon of the same bear character, followed by the word "All".

A horizontal menu bar with five icons and labels: a camera icon for "Photo", a video camera icon for "Video", a paintbrush icon for "Draw", a paperclip icon for "File", and "Aa" for "Journal".

To Do

Meal time!

Please share a video of your child feeding themselves with a spoon or fork.

Look for 'To Do'

- Depending on the way the teacher has requested your response will determine how you can reply once you hit 'start'
- You can also submit your own portfolio by using the options on the top

Questions & Live Demonstration

I'm going to pass it over to Amy Benson who is also a Development and Training Coach AND a parent of a toddler who is using Class Dojo herself!

She will show you a live demonstration as well as answer questions you may have.
